Moreno v. Westchester Dental, P.C. et al.
SDNY Case No.: 22-cv-09977 (PMH)

Dear Judge Halpern:

This firm represents the Defendants in the above-referenced matter. The Court has set May 1, 2024, for the parties to either submit: (i) a joint Cheeks submission and fully executed proposed settlement agreement, or (ii) a Proposed Judgment pursuant to Federal Rule of Civil Procedure 68.

Defendants request that the May 1, 2024 deadline be extended to May 15, 2024. The reason for the extension request is that the parties are still revising a proposed settlement agreement. The additional time will enable the finalization and the submission motion for approval and the executed proposed settlement agreement.

Plaintiffs have consented to this request.

Respectfully submitted,

/s/ Michael J. Mauro
